RE: Request for Correction
Corrected Filing Receipt Still Contains an Error
Invention: Self-Illuminating Fabricated Solid Material Objects
Application No. 10/661,420
Filing date: September 13, 2003
Inventor: Walter E. Pipo
Our Reference: PipoW_P_1_03

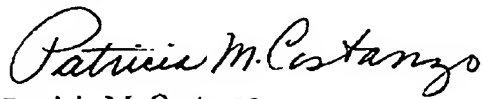

Dear Madame or Sir:

Enclosed is a copy of the incorrect corrected filing receipt Confirmation No. 8103 dated 02.11.2004. Only one of the two previously reported errors on the filing receipt was corrected.

The corrected receipt is still incorrect in that it still states that the above identified Application includes only two independent claims, when, in fact, there are three independent claims, as were included in the originally filed application and was noted on the Fee Transmittal Form, namely Claims, 1, 19, and 20.

If there are any questions or comments, please call me.

Very truly yours,

Patricia M. Costanzo

Receipt is acknowledged of this regular Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Filing Receipt Corrections, facsimile number 703-746-9195. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).
